8th District Newsletter

March 2017

To the wonderful residents of Milwaukee County's 8th District. With a new spring comes new opportunities for growth—both in our gardens, and in our County operations! As always, I am proud to serve as your Supervisor, and look forward to hearing your thoughts and ideas for the County. Please feel free to call anytime!

Blessings,

*David*

## First Wheel Tax Notifications Mailed to Vehicle Owners

Per the Milwaukee County 2017 operating budget, the first invoices levying the \$30 vehicle registration fee have been sent out to qualifying Milwaukee County residents by the Wisconsin Department of Motor Vehicles.

As I have discussed in previous newsletters, Milwaukee County has *no alternative* funding options. Under multiple pieces of legislation passed under the Walker administration, the Board no longer is legally able to levy gas taxes, soda taxes, etc. We are not even permitted to raise the sales tax over .5%.

Furthermore, as year after year Madison continues to cut back our state funding on everything from transportation and infrastructure to social services, each day the county is struggling to provide service with progressively less funds than the year before.

The 2017 budget was the perfect storm—the culmination of all the locally-restrictive policies put in place by the state legislature over the past five years. It was this year that new revenue sources finally had to be considered, or risk doing real harm to our communities through brutal cuts to services.

## The Only Legal Option

After consulting with the County's legal associates, it was deemed that a "wheel tax" was the only legal option available to the County.

I supported the wheel tax not only because it was halved (**County Executive Chris Abele wanted to raise it to \$60**), but because it was the right thing to do.

While it is terrible public policy from a revenue enhancement means, nevertheless, it is the **ONLY** politically viable realistic and responsibly vehicle county governments in Wisconsin have available to them.

I am well aware this is not a popular position. Indeed, this very week a few residents of my district notified me that they would never vote for me again on account of my vote, and I understand.

I hope to represent the 8th district to the best of my ability, and I truly believe this fee will make a difference in the everyday lives of the citizens of Milwaukee County.

The 2018 budget will pose even greater challenges than the one we just completed, with greater deficits, minimal staffing, and less state assistance than ever before. I fully anticipate that once again our County Executive will propose a \$60 wheel tax. Please know that I will fight this measure—as a vehicle owner and a resident of Milwaukee County, I think we can all agree we have enough expenses on our plates as it is.

Blessings,

*David*

## Anti-Discrimination Links

File 16-738 was the 34th item on the agenda. You can watch the debate [here](#).

[Here](#) is the link to the language of the resolution, as it was adopted.

[Here](#) is the link to the recommendation of the Board's legal counsel.

## Anti-Discrimination Resolution

If you have followed coverage of the Board in recent weeks, you may have seen coverage of File 16-738 proposed by Supervisor Dimitrijevic—also known as the Anti-discrimination resolution. While I recognized the spirit of the proposal, I was one of only 6 other supervisors who voted against the measure. I have included a link to the language, as well as recorded video of the debate in the sidebar for you to read for yourself. The most incendiary portion of this resolution was the language that asked Sheriff David Clarke to make Milwaukee County a “sanctuary city.”

While I voted against the resolution for a variety of reasons, here are some of the primary ones:

First, the Milwaukee County Board does not direct the Sheriff or his Department. The Sheriff is (for better or worse) a state constitutional officer that is answerable to the Governor and/or the electorate on election day. (He is up for reelection in 2018 for a four year renewable term). This resolution **in no way** would have bound the Sheriff to not enforce Immigration and Customs Enforcement laws. In fact, he has already publicly announced that he will fully enforce these laws.

Second, a resolution that would have made sense and actually been helpful in my opinion, would have been a resolution asking our state's federal elected officials to start working on rebuilding and reforming our broken immigration system. This is the duty and responsibility of the federal government. Milwaukee County does not write or control national immigration policies.

Finally, I am very concerned about the possible loss of federal grants. Prior to, and during the course of our Board meeting, we were cautioned by the director of our county legal counsel, that the adoption of such a policy (should it be followed) could lead to all federal funding being cut-off—not just for one item, but everything from transit to social services. I will not jeopardize all the services and assistance that we so desperately need and require here in Milwaukee County.

# Changes To The GO Pass

The GO Pass, known also as the Growing Opportunities Pass, was a pilot program which offered free bus service to senior citizens in Milwaukee County, as well as to individuals with qualifying disabilities.

However, this program proved to be a significant fiscal hit to Milwaukee County. After extensive consideration of public input on the program, the program was amended for the 2017 budget to make it more budgetarily sound.

## Changes in Qualifications

In the 2017 adopted budget, financial means-testing for new users was added. This means-testing is defined by an applicants enrollment in various federal programs.

For residents 65 and over, the applicant must be receiving Medicaid or FoodShare benefits.

For residents under 65, the applicant must be receiving Social Security income through SSI or SSDI, or have a Veterans Disability designation. They must also be enrolled in one of the following programs: Medicaid benefits including traditional Medicaid, EBD Medicaid, long-term care through Medicaid, or a Medicare Savings program.

Applicants for the GO Pass who are not currently participants in the income based programs described above, will be given a special ADRC 'hotline' to call to get more information. That number is 414-289-5800.

**For current GO Pass holders nothing has changed.** The Budget laid out a plan that establishes a Work Group to come up with a plan to transition that group to the new program. That plan will be approved by the County Board and County Executive. I am proud to say that I myself am a part of the work group, and we are working hard to come up with a fair and equitable plan for current GO pass holders.

## **MAYOR'S PRESS RELEASE:**

### **Cudahy Family Library receives another generous donation from Ladish Co. Foundation for the Renovation of its North Lawn Project.**

The Ladish Co. Foundation, a benefactor of the Cudahy Family Library for many years, has provided a generous two year commitment donation towards the Outdoor Reading Area project currently under construction at the Cudahy Family Library. The Cudahy Family Library is located at 3500 Library Drive, Cudahy, Wisconsin.

The first phase of construction which included a new north entrance walkway and pergolas, and additional closer to the building parking stalls were installed after September 19, 2016. The second phase of the project which will include outdoor seating areas and a small amphitheater will begin in spring of 2017.

"This project in downtown Cudahy has been another great collaborative effort between the City of Cudahy, Community Development Authority, Cudahy Family Library, Friends of the Cudahy Family Library, Landmark Credit Union, the many generous donors, and the Ladish Co. Foundation", stated Cudahy Mayor John Hohenfeldt. "The Ladish Co. Foundation continues to be a generous donor to the Cudahy Family Library with this new donation, and all of their many previous donations." "I also have to thank Library Director Rebecca Roepke for all of her hard work, efforts, and love of our city in spearheading this effort and making this a reality."

Discuss the future of Fire Protection and Emergency Medical Services (EMS) here in St. Francis. The St. Francis Fire Department has a proud tradition of serving the people of St. Francis and has evolved since our city's incorporation in 1951. The SFFD and will continue to evolve in the future through shared services with our neighboring fire departments in the Milwaukee area.

The goal of the Community Forum is to get your input and feedback into community needs and how we deliver Fire Protection and Emergency Medical Services.

#### FEATURED SPEAKERS WILL INCLUDE:

**Fire Captain Michael Buckhalter** – St. Francis Fire Department

**Fire Captain Nicholas Poplar** – St. Francis Fire Department

**Rob Henken** – President of the Public Policy Forum

**Fire Chief Robert Wittaker** – North Shore Fire Department

**Christine Westrich** – Director of Office of Emergency Management – Milwaukee County

#### MODERATORS

**Retired Fire Chief Steve Hook** – West Allis Fire Department

**Firefighter Ken Jankowski** – North Shore Fire Department

*As Mayor of St. Francis, I personally invite you to attend this special community forum sponsored by the St. Francis City Council. Our goal is to provide the most efficient and effective services to our citizens at a cost they can reasonably afford for the future. We don't know what the future holds for St. Francis because our community growth and tax base is limited by size and changing demographics. Your thoughts on this very important service are vitally important to us.*

All proceeds from the Soirée support the South Milwaukee Performing Arts Center's (SMPAC) mission of enriching lives by providing creative, innovative and diverse performing arts and life-long learning experiences. Last year, funds raised by Soiree attendees helped more than 1,000 students participate in a mini-residency or workshop and 100 students participate in our growing Summer Youth Theatre Program. Funds supported the purchase of a new sound board, the rental of wireless microphones for our high school Mary Poppins cast, and helped keep Performing Arts Series tickets affordable so that everyone in our community could enjoy the performing arts. Funds are used for the annual Performing Arts Series, Student Matinee Series, Arts Education & Workshops, and Outreach Programs. SMPAC manages and presents more than 500 events serving approximately 30,000 annually.

**Thank you to Classic Cargo for sponsoring this event.** Our goal for this event is to raise \$12,000, and we hope that you will consider making a contribution for our silent auction, and help support our mission.
